Data Privacy Statement

The personal data you provide Managed Account Creation forms will be held and processed for the purpose of Shell Learning record keeping and management. The personal data will be controlled by (or on behalf of) your Shell Learning representative and the Shell Open University (the 'data controller(s)'). The information will be retained only for as long as is permitted by local legislation and then destroyed.

In order to process the personal data you provide on these Managed Account Creation forms for the purposes indicated, your personal data may be disclosed to/ transferred to internal Shell applications.

The data controller (s) will try to ensure that your personal data is protected adequately wherever possible, even where countries outside the European Union (EU) to which it is transferred may provide a different level of (legal) protection of personal data from that offered by legislation in the EU. Countries to which your application form and other personal data you have supplied have been transferred can be provided on request.

By signing and returning this application form, you (1) declare you have read, understood and accepted the statements set out in this data protection form and (2) give your consent to the processing of the information contained in the attached Managed Account Creation forms.
