CHANGES REFLECTED IN CURRENT MATRIX

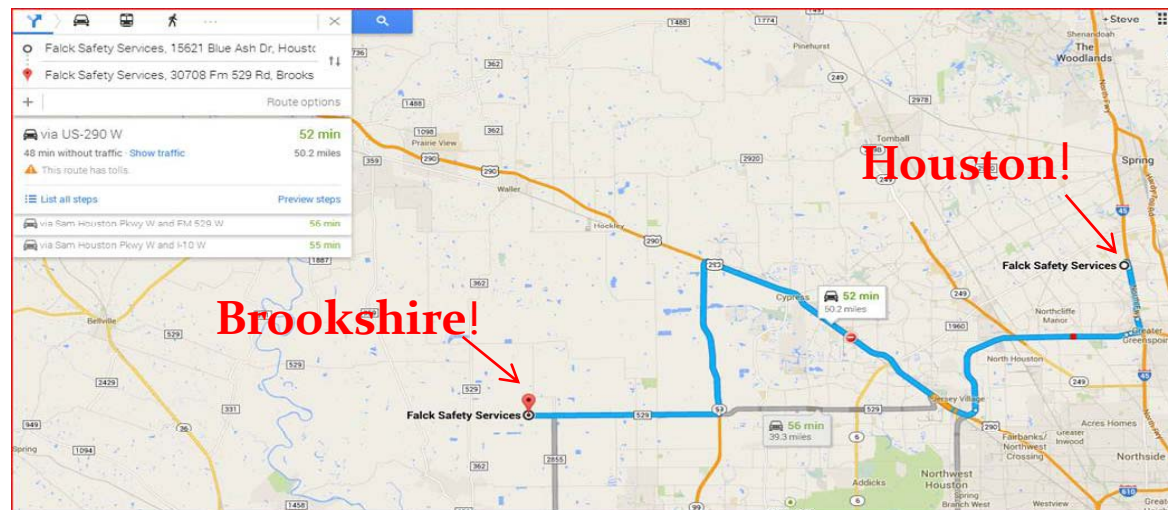

- **10 Feb 2014: OPITO Tropical HUET (T-HUET)** added to list of accepted OPITO training courses
 - 1-day warm water course – now includes sea survival and lifeboat training
 - Available from all certified OPITO Training Providers (slide 7)
- **May 2014: OPITO HUET + SCTW acceptance**
 - OPITO HUET (1-day cold water course) -> **not previously accepted**
 - does not include “sea survival “ or “lifeboat” training (changes made to new T-HUET course for Shell acceptance)
 - STCW provides “sea survival “ and “lifeboat” training missing from OPITO HUET
 - Must have current certification for both for OPITO HUET to be accepted!
- **01 July 2014:** RTC Training Contract transitions from Petrofac to **Falck Safety Systems Canada**

ALFORD SAFETY SERVICES -> OCCUPATIONAL SAFETY TRAINING (OST) -> FALCK ALFORD -> FALCK SAFETY SERVICES (FSS) TRANSITION

- Jan 2009: Alford Safety Services / Falck merge -> **Falck Alford**
- Mar 2013: Falck Alford / OST merge -> **Falck Alford**
- May 2013: Falck global rebranding -> **Falck Safety Services (FSS)**

ALFORD SAFETY SERVICES -> OCCUPATIONAL SAFETY TRAINING (OST) -> FALCK ALFORD -> FALCK SAFETY SERVICES (FSS) TRANSITION

- Jan 2009: Falck buyout of Alford Safety Services -> **Falck Alford**
- Mar 2013: Falck Alford / OST merge -> **Falck Alford**
- May 2013: Falck global rebranding -> **Falck Safety Services (FSS)**
- **SHELL HUET** training accepted from "**Brookshire, TX**" facility **ONLY**
- HUET card will say "**Brookshire, TX**" – not to be confused with FSS "**Houston, TX**" location

SHELL ACCEPTED OPITO COURSES AND PROVIDERS

- Shell Accepted OPITO Courses
 - 1-day courses: **T-HUET** (warm water) , **HUET** (cold water - **only with SCTW**)
 - Multi-day courses: **BOSIET** (3-day cold water), **T-BOSIET** (3-day warm water)
 - Associated BOSIET / T-BOSIET Refreshers (**FOET**)

FUTURE CHANGES

➤ **Effective 01 January 2015:**

- **“Shell HUET”** will only be taught at Shell Robert Training Center
 - will no longer be taught at MSTC (Lafayette) or FSS Brookshire (Houston area)
- **OPITO courses ONLY** will be accepted from U.S. training providers other than RTC.
 - **2** training providers (**MSTC and FSS, Brookshire**) currently on the Shell Accepted Provider list
 - **5 additional** providers are currently OPITO certified (SMS, FSS Houma/Maurice/Houston, Hi-Con Trng (Petrofac) – Houston)
 - **3 more** working on OPITO certification (ECO, GIS, LTC)
 - Shell will continue to accept OPITO equivalent courses from Europe (i.e., NOGEP, OLF, NSOC, UKOOA) and Canada (CAPP)
- All previous “Shell HUET” training provided by MSTC & FSS-Brookshire” will be grandfathered until it expires (4 years from date of training)
